Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:

The Bee Informed Partnership is a collaboration of efforts across the country from some of the leading research labs and universities in agriculture and science to better understand honey bee declines in the United States.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

Yes No

If 'Yes,' describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services?

Yes No

If 'Yes,' describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4 a (Code:) (Expenses \$ 150,000. including grants of \$ 150,000.) (Revenue \$ 166,771.)

Tech Transfer Team - The Teams are trained field agents who offer regular on-site hive inspections and sampling for large commercial beekeepers and queen breeders. The data they collect help provide large-scale beekeepers with the knowledge to make management decisions to maintain healthy colonies.

4 b (Code:) (Expenses \$ 37,688. including grants of \$ 37,688.) (Revenue \$ 93,094.)

Emergency Response Kits, Hive Check and Other Programs - We maintain across a wide range of disciplines including traditional honey bee science, economics, statistics, and medical research that makes all these tools available to this important research. We learn more by studying honey bee health on a large scale than we can in individual lab experiments. Borrowing traditional methods of cancer research from human medicine, we gather huge amounts of data submitted by beekeepers to understand just two things: How many hives they lost last season and how they kept their bees during that season.

4 c (Code:) (Expenses \$ including grants of \$) (Revenue \$)

4 d Other program services. (Describe in Schedule O.)

(Expenses \$ including grants of \$) (Revenue \$)

4 e Total program service expenses 187,688.

An interested party shall complete a questionnaire to fully and completely disclose the material facts about any actual or potential conflicts of interest. The disclosure statement shall be completed upon his/her association with the organization, and shall be updated annually thereafter. An additional disclosure statement shall be filed at such time as an actual or potential conflict arises. For board members, the disclosure statements shall be provided to the President of the Board, or in the case of the President s disclosure, the President s statement shall be provided to the Secretary of the Board. This shall include, but not necessarily be limited to, invoking the procedures described in Section V, below, with respect to a specific proposed action or transaction. protect the interests of the organization. The Chief Executive Officer shall report to the President the results of any review and the action taken. The President, in consultation with the Executive Committee, shall determine if any further board review or action is required. Where an actual or potential conflict exists between the interests of the Bee Informed Partnership and an interested party with respect to a specific proposed action or transaction, the Bee Informed Partnership shall refrain from the proposed action or transaction until such time as the proposed action or transaction has been approved by the disinterested members of the board of directors of the organization. The following procedures shall apply:

- An interested party who has an actual or potential conflict of interest with respect to a proposed action or transaction of the corporation shall not participate in anyway in, or be present during, the deliberations and decision making of the organization with respect to such action or transaction. The interested party may, upon request, be available to answer questions or provide material factual information about the proposed action or transaction.
- The disinterested members of the board of directors may approve the proposed action or transaction upon finding that it is in the best interests of the corporation. The board shall consider whether the terms of the proposed transaction are fair and reasonable to the organization and whether it would be possible, with reasonable effort, to find a more advantageous arrangement with a party or entity that is not an interested party.
- Approval by the disinterested members of the board of directors shall be by vote of a majority of directors in attendance at a meeting at which a quorum is present. An interested party shall not be counted for purposes of determining whether a quorum is present, nor for purposes of determining what constitutes a majority vote of directors in attendance.
- The minutes of the meeting shall reflect that the conflict disclosure was made, the vote taken and, where applicable, the abstention from voting and participation by the interested party.

If the Board of Directors has reason to believe that an interested party has failed to disclose an actual or potential conflict of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose.

If, after hearing the response of the interested party and making such further investigation as may be warranted in the circumstances, the board determines that the
